

BABY TRAINING.

*Now available as self-paced e-learning
for only £39 per person*

Are you new to working with babies? Are you looking to expand your knowledge of working with children under the age of two?

At HFL Education we deliver training that specifically addresses the care of babies. Now available as self-paced e-learning accessible on all devices for only £39 per person.

Our baby training is ideal for those new to working with children under the age of two.

This course is comprised of four modules which learners can work through at their own pace.

- Module 1: Safeguarding Babies
- Module 2: Attachment and Brain Development
- Module 3: Learning and Development
- Module 4: Working with Families

This e-learning enables staff to meet the statutory requirement of receiving training addressing the care of babies (EYFS Statutory Framework 3.40) and is a wonderful CPD opportunity for those who are working with the youngest children in the setting.
